NCDXF Press Release

In April 2021, NCDXF announced the creation of an award – “**The DXcellence Award**”. To be awarded to the outstanding DXpedition of the last twelve months, which received funding from NCDXF. The award is intended to recognize excellent in a DXpedition, exemplified by practices, ethics, management, transparency, impact upon the DXing community, and lastly exhibited FUN!

The winner of the award is determined by the NCDXF Board of Directors. The board considers several factors, including performance, complexity of the DXpedition, impact on Clublog most wanted ranking. Especially important are activities associated with humanitarian and education.

At our annual board of Directors meeting at the IDXC in Visalia last weekend, we voted to award this year’s award to TX5S, Clipperton Island DXpedition. This award was presented to K5GS just before his presentation at the evening dinner. In addition, a \$5000 donation to the group will be made.

A plaque like this will be provided to the team.
